NOTICE TO TAXPAYERS

IMPORTANT

**ALL TAXPAYERS SHOULD READ THE FOLLOWING
REQUIREMENTS AND COMPLY WITH THEM**

Section 70, Chapter 13, Revised Statutes of Maine, 1930

“Before making an assessment, the Assessors shall give seasonable notice in writing to the Inhabitants, by posting notifications in some public place in Town, or shall notify them, in such other ways as the Town at its Annual Meeting directs, to make and bring in to them true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the first day of April of the same year. If any resident owner after such notice, does not bring in such lists, he is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such lists with his application and satisfies them that he was unable to offer it at the time appointed.

THROUGH THE YEARS

This, our twenty-ninth printed annual Town Report, marks the one hundred sixth anniversary of the Town of Cranberry Isles.

Frenchman's Bay, with its many beautiful islands, may well be called a paradise for the yachtsman. Five of these beautiful islands comprise our little town.

From our northern shore, one's eye is met by the picturesque Mount Desert hills, which are about three miles away, with a greater height than any mountains on the Atlantic coast. This skyline is equalled by few and excelled by none.

Although Cranberry Isles has a relatively small population, it has many distinctive features. There are three postoffices, namely, Cranberry Isles, established May 9, 1847, with William P. Preble, postmaster; Islesford, established August 15, 1884, with Agnes Hadlock, postmaster; Sutton, established March 17, 1898, with Clara A. Rice, postmaster.

The Coast Guard Station at Islesford was established 1879, and for many years the crew consisted entirely of townspeople. At present the crew is made up wholly of men from other towns, although most of them have taken their residence here.

There are two government lighthouses located in the town, one at Baker's Island, and the other at Bear Island.

A cordial invitation is extended to all to visit our town and enjoy the beautiful scenery. Transportation is always available from Southwest Harbor, and during the summer season from both the Rock End and Clifton docks at Northeast Harbor, and from Acadia Pier at Seal Harbor.

Cranberry Isles has an area of approximately one and one-fifth square miles or 771 41-80 square acres, as follows:

Great Cranberry Island	490 acres	90 square rods
Little Cranberry Island	123 acres	75 square rods
Sutton Island	74 acres	40 square rods
Baker's Island	73 acres	135 square rods
Bear Island	9 acres	62 square rods

SCHOOL REPORT

REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE

To the Citizens of Cranberry Isles:

We have examined the report of the Superintendent of Schools and approve the same.

We recommend that the G. C. I. school be thoroughly painted inside.

We make the following recommendations for appropriations:

Common schools	\$2,200.00
High school tuition	300.00
Janitors	456.00
Text-books and supplies	200.00
Fuel	550.00
Repairs	100.00

Respectfully submitted,

LESLIE M. RICE, Chairman,
A. J. BRYANT,
ALVAH BUNKER,
Superintending School Committee.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of Cranberry Isles:

Teachers and Salaries

	per week
G. C. I. primary, Dorothy Whitney	\$20.00
Islesford primary, Geneva Spurling	20.00
Islesford grammar, Barbara Rice	20.00
G. C. I. primary, Irma McLeod	20.00
G. C. I. grammar, Velma Teel	20.00

Janitors

Islesford, Kenneth Jarvis	5.00
G C I, Joshua Alley	6.00

There has been one change in the teaching force, viz.: Irma McLeod in place of Dorothy Whitney, who resigned at the end of the fall term.

Following is the number of pupils in each grade and in each school:

	Boys	Girls
Grade 1	6	7
Grade 2	1	5
Grade 3	3	2
Grade 4	5	4
Grade 5	8	3
Grade 6	1	4
Grade 7	4	1
Grade 8	1	1
Grade 9	4	2
	—	—
	33	29

Islesford, 33 pupils; G. C. I., 29 pupils; total of 62 pupils. This is a gain of 2 pupils over last year; also a gain in Islesford of 11, or 33 1-3 per cent., and a loss in G. C. I. of 9, or 25 per cent.

New modern Arithmetic, English and supplementary books have been added and all supplies necessary for a well-equipped school room have been added.

A new Course of Study, to be used in conjunction with the State Course, has been placed in the teachers' hands. This course, I believe, will make our schools still more efficient.

The Islesford school has been thoroughly painted inside and the desks repaired, varnished and painted, These two rooms present a very attractive appearance in modern school colors, thus doing away with old-fashioned dark colors which made it necessary to keep the lights on most of the day. Again, new light bulbs have been installed in both schools. These bulbs, called twilight or daylight bulbs, take away the glare and thus relieve the children of so much eyestrain.

I recommend that the G. C. I. school be painted inside the same as the Islesford school.

Six students are taking higher education, as follows: Southwest Harbor, 3; Gilman high, 1; Coburn Classical Institute, 1; Ellsworth, 1.

In closing, I wish to heartily thank the superintending school committee and citizens for their hearty cooperation and support during the year.

Respectfully submitted,

W. E. CLARK,

Superintendent of Schools.
