Public Comment

None at this time. Dr. Gousse recommended that public comment be submitted through his office and that administrative questions be handled directly with the principal.

Reports and Updates:

- Continuing to focus on Longfellow, inspecting paint job, continued maintenance
- Hayley Fenton will address a question re: use of Longfellow bathroom
- District working on safe return to school. A large task force group composed of teachers, administrators, parents, students, and more is looking at how to safely return to school and will be meeting through the summer. Differences between schools will be considered with safety of students and staff at the forefront of the plan. Public School is different from businesses in that public school is compulsory which holds us to a higher standard. Updates will be shared with the board as they are available.
- Lift project is on track for completion

Discussion Items:

- **Transportation**
 - Use of public transportation is something that should be considered for the fall.
 - Hayley Fenton will work with Nancy Thurlow and Dr. Gousse to develop a request for a bid for a special boat for school transportation in the fall.
 - Hayley Fenton will bring a matrix of possible configurations for fall that will include categories of transportation; financial implications; staffing; access to special services, and other considerations.
- **Islesford Teacher's Apartment Rental**
 - Available for a 2 month summer rental
 - Hayley Fenton will work with Nancy Thurlow to set an appropriate rate, establish a deposit, and revise the lease for a short term rental with a possibility of an extension.

Action Items
