

## The Town of Cranberry Isles Considers Long-Term Resilience

A workshop aimed at discussing community priorities related to energy transitions and climate impacts

**RESCHEDULED**

**Monday, January 30, 2023**

2:00-3:30 pm

**In-person and online participation (see new Zoom link) welcome**  
Cranberry House Conference Room, Great Cranberry Island

The Town of Cranberry Isles is in the process of applying to be a part of the Community Resilience Partnership\* (CRP). In order to enroll in the partnership, the community must hold a public workshop to review current resilience actions and needs as well as to prioritize projects for implementation.

\*The Community Resilience Partnership is a program from the Governor's Office of Policy Innovation and the Future (GOPIF) helping Maine communities reduce emissions and prepare for the impacts of climate change. The Partnership provides grant funding (up to \$50,000) and direct support to municipal governments for climate mitigation and adaptation projects.

The Island Institute is supporting Cranberry Isles as a service provider by ensuring the community fulfills the requirements for enrollment.
